

SNOWMAN CLUB

A special "Introduction to Snow" for Tots

Offered:

**EVERY Saturday & Sunday
10:30am - 12:00pm OR 1:00pm - 2:30pm**

**\$55.00 Per Lessons includes:
Lift Tickets, Ski & Helmet Rental & 90 minutes FUN and Learning**

The goal in a Snowman's lesson is for a 3 & 4 year old child to enjoy being outside with ski boots and winter clothes on for 90 minutes. Sunburst hopes your child finishes in the Snowman's lesson begging you to stay at Sunburst because they had loads of fun!! Once the child has developed these skills they are ready for the Snow Munchkin Lesson.

Skiing begins in the boots. In boots, the children will learn how to balance, gripping and releasing of edges, sliding movements all through playing of games on the snow. Each game will have specific skills that the instructor is looking for to move on with the lesson plan. Now when we put the skis on, the children will have the basic understanding of balance and stance.

Parents are asked to watch from a distance, yet must remain available on Sunburst grounds to address bathroom breaks and other special needs that individual tots may have.

It is not designed to be a ski lesson producing a skier at the end of the 90 minute time period.
